

Ryan's Wings is gearing up for our 9th Annual Christmas Event!

This year, we have chosen a local church, St. Michael and All Angels, which is located on Spring Garden Avenue on the North Side of Pittsburgh.

We have collected the childrens' Christmas Wish Lists and have created an Amazon link showing the gifts that need purchased:

The gifts will be shipped directly to Ryan's Wings and will be individually wrapped.

We host a private party for the kids and the families at the church, where the gifts are given by Santa & Mrs. Claus. We provide lunch, crafts, face painting and an area with donated items for children to "shop" and wrap for their parents. We also have hams donated by Willies Smoke Shop, located in Aspinwall, to give the families.

#### [Our Mission](#)

Ryan's Wings understands that addiction is a devastating disease that destroys lives. Our mission is to help individuals and their families who are struggling with addiction to move forward and strengthen their recovery journey. We seek to foster relationships with communities, schools, treatment centers and sober houses to help bridge the gap between addiction and healthy lifestyle.
